- **BSPlink - Change the creator field for the BSP-created groups from "BSP" to its Head Office code**

New BSPlink Training material

Already curious about the NEW BSPlink? Do not miss the opportunity of being the first one to try it. The launch of the global training phase is already live.

The New Front End project team has made available resources to create effective training materials conformed by a training portal, tutorial videos and user manuals.

The tutorial videos are available in English with subtitles in 16 different languages.

The training portal can be used for Self-learning and self-practice of the New BSPlink platform.

Training materials can be found on the IATA Customer portal or by clicking on the links below.

> ➢ **Tutorial videos**
> ➢ **Training portal Access**
> ➢ **About New BSPlink**

For more info please contact us at **newbsplink@iata.org**

You may also access the BSPlink Webinar or our sessions online.

Developments Released

BSPlink - Change the creator field for the BSP-created groups from "BSP" to its Head Office code

BSPlink's Agent Groups created by the BSP can only be managed by the BSP. So, to allow every Agent Group to invite members, the ownership should be updated from BSP to the Head Office of that group. The BSPlink Agent Group's created by BSP users will be updated with new owners provided by IATA.
